

## Wedgewood Townhomes Facebook Group

We highly encourage Owners to join our Facebook group, “Wedgewood Townhomes Residents”, as it is an excellent way to pass on information concerning Wedgewood that comes up at the last minute. (Such as changes in mowing schedule, garbage pickup, safety concerns, social activities, etc.)

It is a PRIVATE page and only Owners, and pre-approved close relatives of an Owner, will be approved for viewing the posts. It is not meant to be a complaint forum but a means to pass along information to our Owners in a timely manner.

If you are already a member of Facebook, just search for the page “Wedgewood Townhomes Residents” and ask to join. If you are not on Facebook, we recommend that you ask a neighbor or friend to pass on pertinent information to you. You can also have a relative ask to join. If you want a relative to join, please give Janice Smeal a “heads up” including the name of the relative so that Janice knows to approve the person on your behalf. Janice can be reached at 402-681-2994 or [jrsme125@gmail.com](mailto:jrsme125@gmail.com)
